7. "Service" means the service of providing SMS alerts to the BO on best effort basis as per these terms and conditions.

Availability :

1. The service will be provided to the BO at his / her request and at the discretion of the depository. The service will be available to those accountholders who have provided their mobile numbers to the depository through their DP. The services may be discontinued for a specific period / indefinite period, with or without issuing any prior notice for the purpose of security reasons or system maintenance or for such other reasons as may be warranted. The depository may also discontinue the service at any time without giving prior notice for any reason whatsoever.
2. The service is currently available to the BOs who are residing in India.
3. The alerts will be provided to the BOs only if they remain within the range of the service provider's service area or within the range forming part of the roaming network of the service provider.
4. In case of joint accounts and non-individual accounts the service will be available, only to one mobile number i.e. to the mobile number as submitted at the time of registration / modification.
5. The BO is responsible for promptly intimating to the depository in the prescribed manner any change in mobile number, or loss of handset, on which the BO wants to receive the alerts from the depository. In case of change in mobile number not intimated to the depository, the SMS

alerts will continue to be sent to the last registered mobile phone number. The BO agrees to indemnify the depository for any loss or damage suffered by it on account of SMS alerts sent on such mobile number.

Receiving Alerts :

1. The depository shall send the alerts to the mobile phone number provided by the BO while registering for the service or to any such number replaced and informed by the BO from time to time. Upon such registration / change, the depository shall make every effort to update the change in mobile number within a reasonable period of time. The depository shall not be responsible for any event of delay or loss of message in this regard.
2. The BO acknowledges that the alerts will be received only if the mobile phone is in 'ON' and in a mode to receive the SMS. If the mobile phone is in 'Off' mode i.e. unable to receive the alerts then the BO may not get / get after delay any alerts sent during such period.
3. The BO also acknowledges that the readability, accuracy and timeliness of providing the service depend on many factors including the infrastructure, connectivity of the service provider. The depository shall not be responsible for any non-delivery, delayed delivery or distortion of the alert in any way whatsoever.
4. The BO further acknowledges that the service provided to him is an additional facility provided for his convenience and is susceptible to error, omission and/ or inaccuracy. In case the BO observes any error in the information provided in the alert, the BO shall inform the depository and/ or the DP immediately in writing and the depository will make best possible efforts to rectify the error as early as possible. The BO shall not hold the depository liable for any loss, damages, etc. that may be incurred/ suffered by the BO on account of opting to avail SMS alerts facility.
5. The BO authorizes the depository to send any message such as promotional, greeting or any other message that the depository may consider appropriate, to the BO. The BO agrees to an ongoing confirmation for use of name, email address and mobile number for marketing offers between CDSL and any other entity.
6. The BO agrees to inform the depository and DP in writing of any unauthorized debit to his BO account/ unauthorized transfer of securities from his BO account, immediately, which may come to his knowledge on receiving SMS alerts. The BO may send an email to CDSL at complaints@cdslindia.com. The BO is advised not to inform the service provider about any such unauthorized debit to/ transfer of securities from his BO account by sending a SMS back to the service provider as there is no reverse communication between the service provider and the depository.
